

Christian Outreach Centre House of Prayer is part of a wider movement of churches with a passion for Jesus Christ, the things of the Spirit, and to witness a radical generation of Believers arise, equipped for the great harvest of souls to come.

**Our vision is simple:  
TO REACH, TEACH & RELEASE**

**To REACH the lost with the message and demonstration of the gospel.**

How? By all means. Utilising every avenue of expression, we aim to win the lost. It is God's will that "none perish" and we, as God's fellow-workers, are called individually and corporately to labour in His harvest, expending our energies, finances and giftings to bring about God's desired end - the salvation of the towns in which we live.

**To TEACH and disciple believers in their God given potential.**

How? By recognising and developing their lives to fruitfully accomplish all that God has called them to become. Our stated aim is to bring the disciple to the place where they in turn become a discipler of others. This will be facilitated through dynamic small groups and through training in schools, one-to-one and through practical experience and ministry.

**To RELEASE people into fruitful fulfilment of their ministry in the Body of Christ and to the world.**

Regardless of age, sex, or any other distinguishing feature, one fact remains: God's commission is all inclusive. The work of leaders is to equip the saints for the work of the ministry. We believe that the success of the church and the potential of God lives in the people whom He has called to Himself. In reality, the people ARE the church! When we release the people to be who God created them to be, we release the potential of God Himself, which is limitless!

# School of Leaders

The School of Leaders is designed to root and ground believers in relationship with Jesus Christ and in the enduring truths of scripture.

The sessions will run each week on Sunday nights for one hour. A broad curriculum will be covered which will encourage practical application of what is learned.

## Transformation

We are not merely in the business of 'informing' believers, but 'transforming' them into the image of Christ. The school will concentrate much on spiritual realities, and living with an awareness of who we are in Christ and the spirit world around us.

As a church we are building with one hand; our relationship with God and with others, our marriages, careers and ministries, and fighting with the other (Neh 4:17). We have a sword in one hand, soldiers in God's army being trained for active service, and a trowel in the other, building people's lives in the purposes of God.

An accurate knowledge of God's Word is essential to our success as believers. The School of Leaders is somewhere where you can come and be trained.
